LIGHT DUTY SINGLE AXLE TRAILER

(Domestic Use)

Available sizes: 6x4 - 7x4

Our entry-level box trailer is perfect for customers with small vehicles that can't tow heavy loads on their own. These lightweight trailers include such standard features as a smooth floor with mudguards (1.6mm thick), flat-side walls up to 320 mm high, 3 leaf slipper springs rated at 600kg combined, 39mm round solid axle rated 750kg, 50x50 square hollow section drawbar, 2 or 4 tie down rails, removable tailgate and 14" Sunraysia Wheel & Secondhand Tyres.

HEAVY DUTY SINGLE AXLE TRAILER - 750kg ATM

Available sizes: 6x4 - 7x4 - 8x4 - 8x5

Our most popular trailer is perfect to use around the home or on a work site. These heavy-duty trailers include such standard features as a Checker plate floor and mudguards (2.1mm thick), 13" or 21" deep ribbed sides, 5 leaf slipper springs rated at 1,000kg, 39mm round solid axle (rated 750kg), a draw bar using 75 x 50 rectangle hollow section steel, 4 tie down rails, removable tailgate, reinforced guards and 14" Sunraysia Wheel & Secondhand Tyres.

TANDEM AXLE BOX TRAILER - 2000kg ATM

Available sizes: 8x5 - 9x5 - 10x5 - 12x5 - 8x6 - 9x6 - 10x6 - 12x6

GOLF BUGGY TRAILER with hinged ramp

TRADESMAN TRAILER

A tandem axle box trailer is better suited for drivers who need to carry heavy loads. All of our tandem axle box trailers are fitted with mechanical over-ride disc brakes using Ford Bearings. Other standard features include a checker plate floor and mudguards, press-bent side walls with extra bracing on the mudguards and draw bar, side walls up to 320mm high, 7 leaf springs, a full square hollow section chassis, a draw bar using rectangle hollow section steel, tie rails on all 4 sides, removable tailgate and 14" Sunraysia Wheel & Tyres.

CAR TRAILER WITH RAILS OR A FLAT DECK BEAVER TAIL

Available size: 14ft x 6ft 6"

Our car trailer comes with the same good-sized deck. This is a popular choice for vehicles with low ground clearance because of its 4-inch rear beaver tail. This car trailer includes such standard features as an extra-strong RHS chassis and draw bar, a checker plate floor with mudguards, a rear beaver tail with a 4-inch drop, mechanical disc brakes, slide-under ramps, front and rear tie points, 7 leaf springs, 45mm solid square axles with Ford bearings, 12-volt LED lights and winch mounting plate to suit any winch you require. (Winch sold separately).
